APPLICATION for VOLUNTEERING

Welcome -- we are excited you are interested in volunteering with Paideia Academy of South Phoenix! We are committed to providing a dynamic, rewarding environment where members of the community can share their skills and expertise and make a profound impact on the well-being our scholars and families.

There are many opportunities for volunteers to participate as a critical part of the Paideia team, including recess support, lunchroom support, tutoring, classroom support, fundraising and much more! We also want to hear about your special talent or skill that you can bring to Paideia!

We ask that all of our on-going volunteers make a commitment of at least one month. This does not apply to one-time projects, such as service days, or special events.

We want to learn how your skills, experience, or affiliations can help Paideia change the lives of the scholars and families from our community. Please fill out the form below and we will contact you to discuss possible opportunities that match your interest.
